April 30, 2020

BOAT TOWN HALL WEB CONFERENCE

This Presentation is Dedicated to the Memory of

Dan Hodge

September 27, 1952 – April 29, 2020

RBOC President 2020

RBOC Vice President – South 2018 & 2019

RBOC Director 2016 - 2020

RBOC
Protecting your boating interests.™

BOAT TOWN HALL WEB CONFERENCE

FORMAT

Today's Web Conference – presented by RBOC and BoatUS

Panelists:

Cleve Hardaker – RBOC President

David Kennedy – BoatUS Government Affairs

Ray Durazo – RBOC Immediate Past President

Winston Bumpus – RBOC Vice President North

Todd Leutheuser – RBOC Vice President South

Peter Phillips – RBOC Director

Jerry Desmond – RBOC Legislative Advocate

Format - 25 minute presentation followed by Q&A

Submit your Questions - via the Q&A Feature [available to web participants]

Thank You for Participating!

BOAT TOWN HALL WEB CONFERENCE

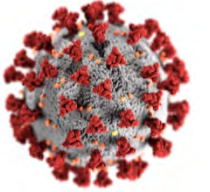

Today's Topics

COVID-19 Pandemic
DBW & HWRF
Boater Fuel Tax Dollars
Boat Registration Fees
Boating Infrastructure
Fix-it Tickets

For-Hire Vessels
Copper
Long Beach
Fishing Licenses
Recreation Office
Q&A

RBOC & BOATUS TOWN HALL WEB CONFERENCE

COVID-19 Pandemic & Boating

RBOC is lobbying for state, county and municipal governments to prioritize the re-opening navigable waterways to recreational boaters who practice social \ physical distancing

Especially now as we enter a new phase where stay-at-home orders are being revised or lifted

Examples:

San Diego County - has banned recreational boating on waterways to enhance physical distancing in the effort to prevent further transmittal of the COVID-19 virus

Long Beach and its Marine Bureau - are asking boaters to refrain from recreational boating, except as a vehicle for physical exercise

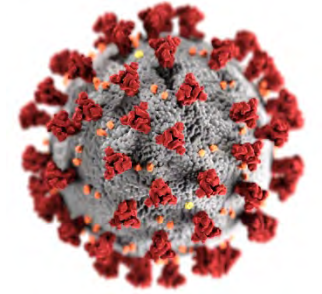

State-wide – Governor Newsom is expected to close all state parks and beaches this afternoon

RBOC is encouraging all boaters to practice social/physical distancing in all aspects in order to protect themselves and others during these challenging times.

RBOC & BOATUS TOWN HALL WEB CONFERENCE

COVID-19 Pandemic & Clubs - Federal PPP

Federal Paycheck Protection Program [PPP]

PPP provides loans to provide a direct incentive for small businesses to keep their workers on the payroll.

Federal Small Business Association [SBA] will forgive PPP loans if all employees are kept on the payroll for eight weeks and the money is used for payroll, rent, mortgage interest, or utilities

Also available today:

Economic Injury Disaster Loans [EIDL]

IRS Retention Credits and Payroll Tax Delays

Phase 3.5 relief bill agreement provides an additional \$484 Billion

For resources: [click here](#)

RBOC & BOATUS TOWN HALL WEB CONFERENCE

COVID-19 Pandemic & Clubs - Federal PPP

RBOC is advocating that 501[c][7] clubs are included as potential fund recipients

Most clubs are 501[c][7] nonprofit organizations

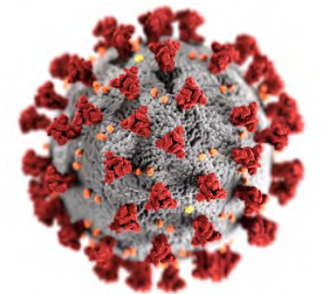

These types of corporations are not currently on the list of potential recipients

Clubs throughout California are participating in efforts to help their communities,

Clubs throughout California have been financially harmed

Clubs were not included in Round 1 or Round 2 – a Round 3 is anticipated

Take Action - rboc.org/call-to-action

RBOC & BOATUS TOWN HALL WEB CONFERENCE

DBW - Harbors & Watercraft Revolving Fund

RBOC is advocating for the boater taxes and fees to be dedicated to programs and services that benefit boating

Current Boating Programs and Services

Aquatic Center Education

Aquatic Invasive Species

Boating Clean and Green

Beach Restoration and Erosion Control

Boat Launching Facility

Boating Accident

Boating Law Enforcement Education

Boating Law Enforcement Training

Boating Trails

California Boater Card

Capital Outlay

Clean Marina

Facilities Division

For-Hire Licensing

National Boating Infrastructure

Surrendered and Abandoned
Vessel Exchange (SAVE)

Small Craft Harbor Loan

Vessel Pumpouts

Yacht and Ship Broker Licensing

RBOC & BOATUS TOWN HALL WEB CONFERENCE

Boat Fuel Tax Dollars

Where Your Boat Tax Dollars are Going

Restructuring of the state Harbors and Watercraft Revolving Fund [HWRF] is being considered

RBOC is pursuing several specific, fundamental questions on how tens of millions of state boat fuel tax dollars are being spent today

For years, these funds have been directed to nonboating programs rather than programs and services that benefit the boaters who pay these dollars

RBOC & BOATUS TOWN HALL WEB CONFERENCE

Boat Registration Fees

Proposals to dramatically increase state boat registration fees

As restructuring of the HWRF is considered, and without answers to key questions, RBOC is on alert that legislation will be advanced that could double or triple the boat registration fees paid to California Department of Motor Vehicles before being deposited in that fund

RBOC & BOATUS TOWN HALL WEB CONFERENCE

Boat Infrastructure Programs

Potential elimination of the state programs financing boating infrastructure including marinas and launch ramps

Also in this environment, consideration is being given to elimination of the longstanding, boater-financed state programs including those providing loans and grants to public marinas as well as loans to private marinas for boating infrastructure and access including marinas and launch ramps

RBOC & BOATUS TOWN HALL WEB CONFERENCE

Fix-It Tickets

RBOC supporting SB 904 [Monning] that would establish fix-it tickets for certain boating offenses including:

Failure to have the boater card

Failure to have the vessel identification number displayed

Failure to have a vessel registration sticker applied

Failure to have a personal flotation device[s]

Failure to have fire extinguishers and their markings

Take Action – inform Senator Monning of your support:

RBOC & BOATUS TOWN HALL WEB CONFERENCE

For-Hire Vessel Operator's License

RBOC is advocating for an exception for sailing instructors and students

SB 883 [Monning] would require a for-hire vessel operator license when there is a single for-hire passenger

Currently the license is only required if there are more than three passengers on these vessels

This will enhance consumer protection

RBOC & BOATUS TOWN HALL WEB CONFERENCE

Copper-Based Anti-fouling Paints

RBOC is lobbying for regional water boards to conduct the site specific studies that would provide data that pertains to the impacted water bodies before they impose restrictions on the ability of boaters to utilize effective antifouling paints containing copper

Regional actions have been taken that restrictor prohibit the use of copper-based antifouling paints

RBOC advocates that any prohibitions or restrictions on the use of copper-based anti-fouling paints be predicated upon findings that alternatives are available, affordable and effective

RBOC & BOATUS TOWN HALL WEB CONFERENCE

ACOE Long Beach Breakwater & Ecosystem Recommendation

RBOC has submitted concerns with boating impacts of east San Pedro Bay Ecosystem Restoration Project

For more information and RBOC's formal comments and request:

RBOC & BOATUS TOWN HALL WEB CONFERENCE

State Fishing Licenses

RBOC is supporting AB 1387 [Wood] that proposes a 365-day fishing license

Legislation to establish a 365-day state fishing license

Revisions to these provisions are anticipated if the measure is to move forward this year

California Department of
Fish and Wildlife

RBOC & BOATUS TOWN HALL WEB CONFERENCE

Recreation Office

RBOC supports the prioritization of outdoor recreation that includes recreational boating as a key element

Legislation is being pursued to create a state Office of Outdoor Recreation

RBOC supports the prioritization of outdoor recreation that includes recreational boating as a key element

Such efforts – such as AB 1111 [Friedman] - must not tap into boater paid monies that support current state boating programs and services

BOAT TOWN HALL WEB CONFERENCE

Summary

COVID-19 Pandemic
DBW & HRWF
Boater Fuel Tax Dollars
